

Welcome to Kindergarten!

We are so happy you are here!

- Students are introduced to basic skills in the areas of
 - PHONEMIC AWARENESS (recite rhymes and sing songs, listen for rhyming words)
 - LETTER NAMES (A-Z) (recognize and name letters in print)
 - CONCEPTS OF PRINT (handle books properly, be aware of print in the environment)

Learning to Read

High Frequency (or Sight) Words are words that should be memorized to help a child learn to read and write. Learning *sight words* allows a child to recognize these words at a glance — *on sight* — without needing to break the words down into their individual letters and is the way strong readers recognize most words. Knowing common, or high frequency, words by sight makes reading easier and faster, because the reader does not need to stop to try and sound out each individual word, letter by letter.

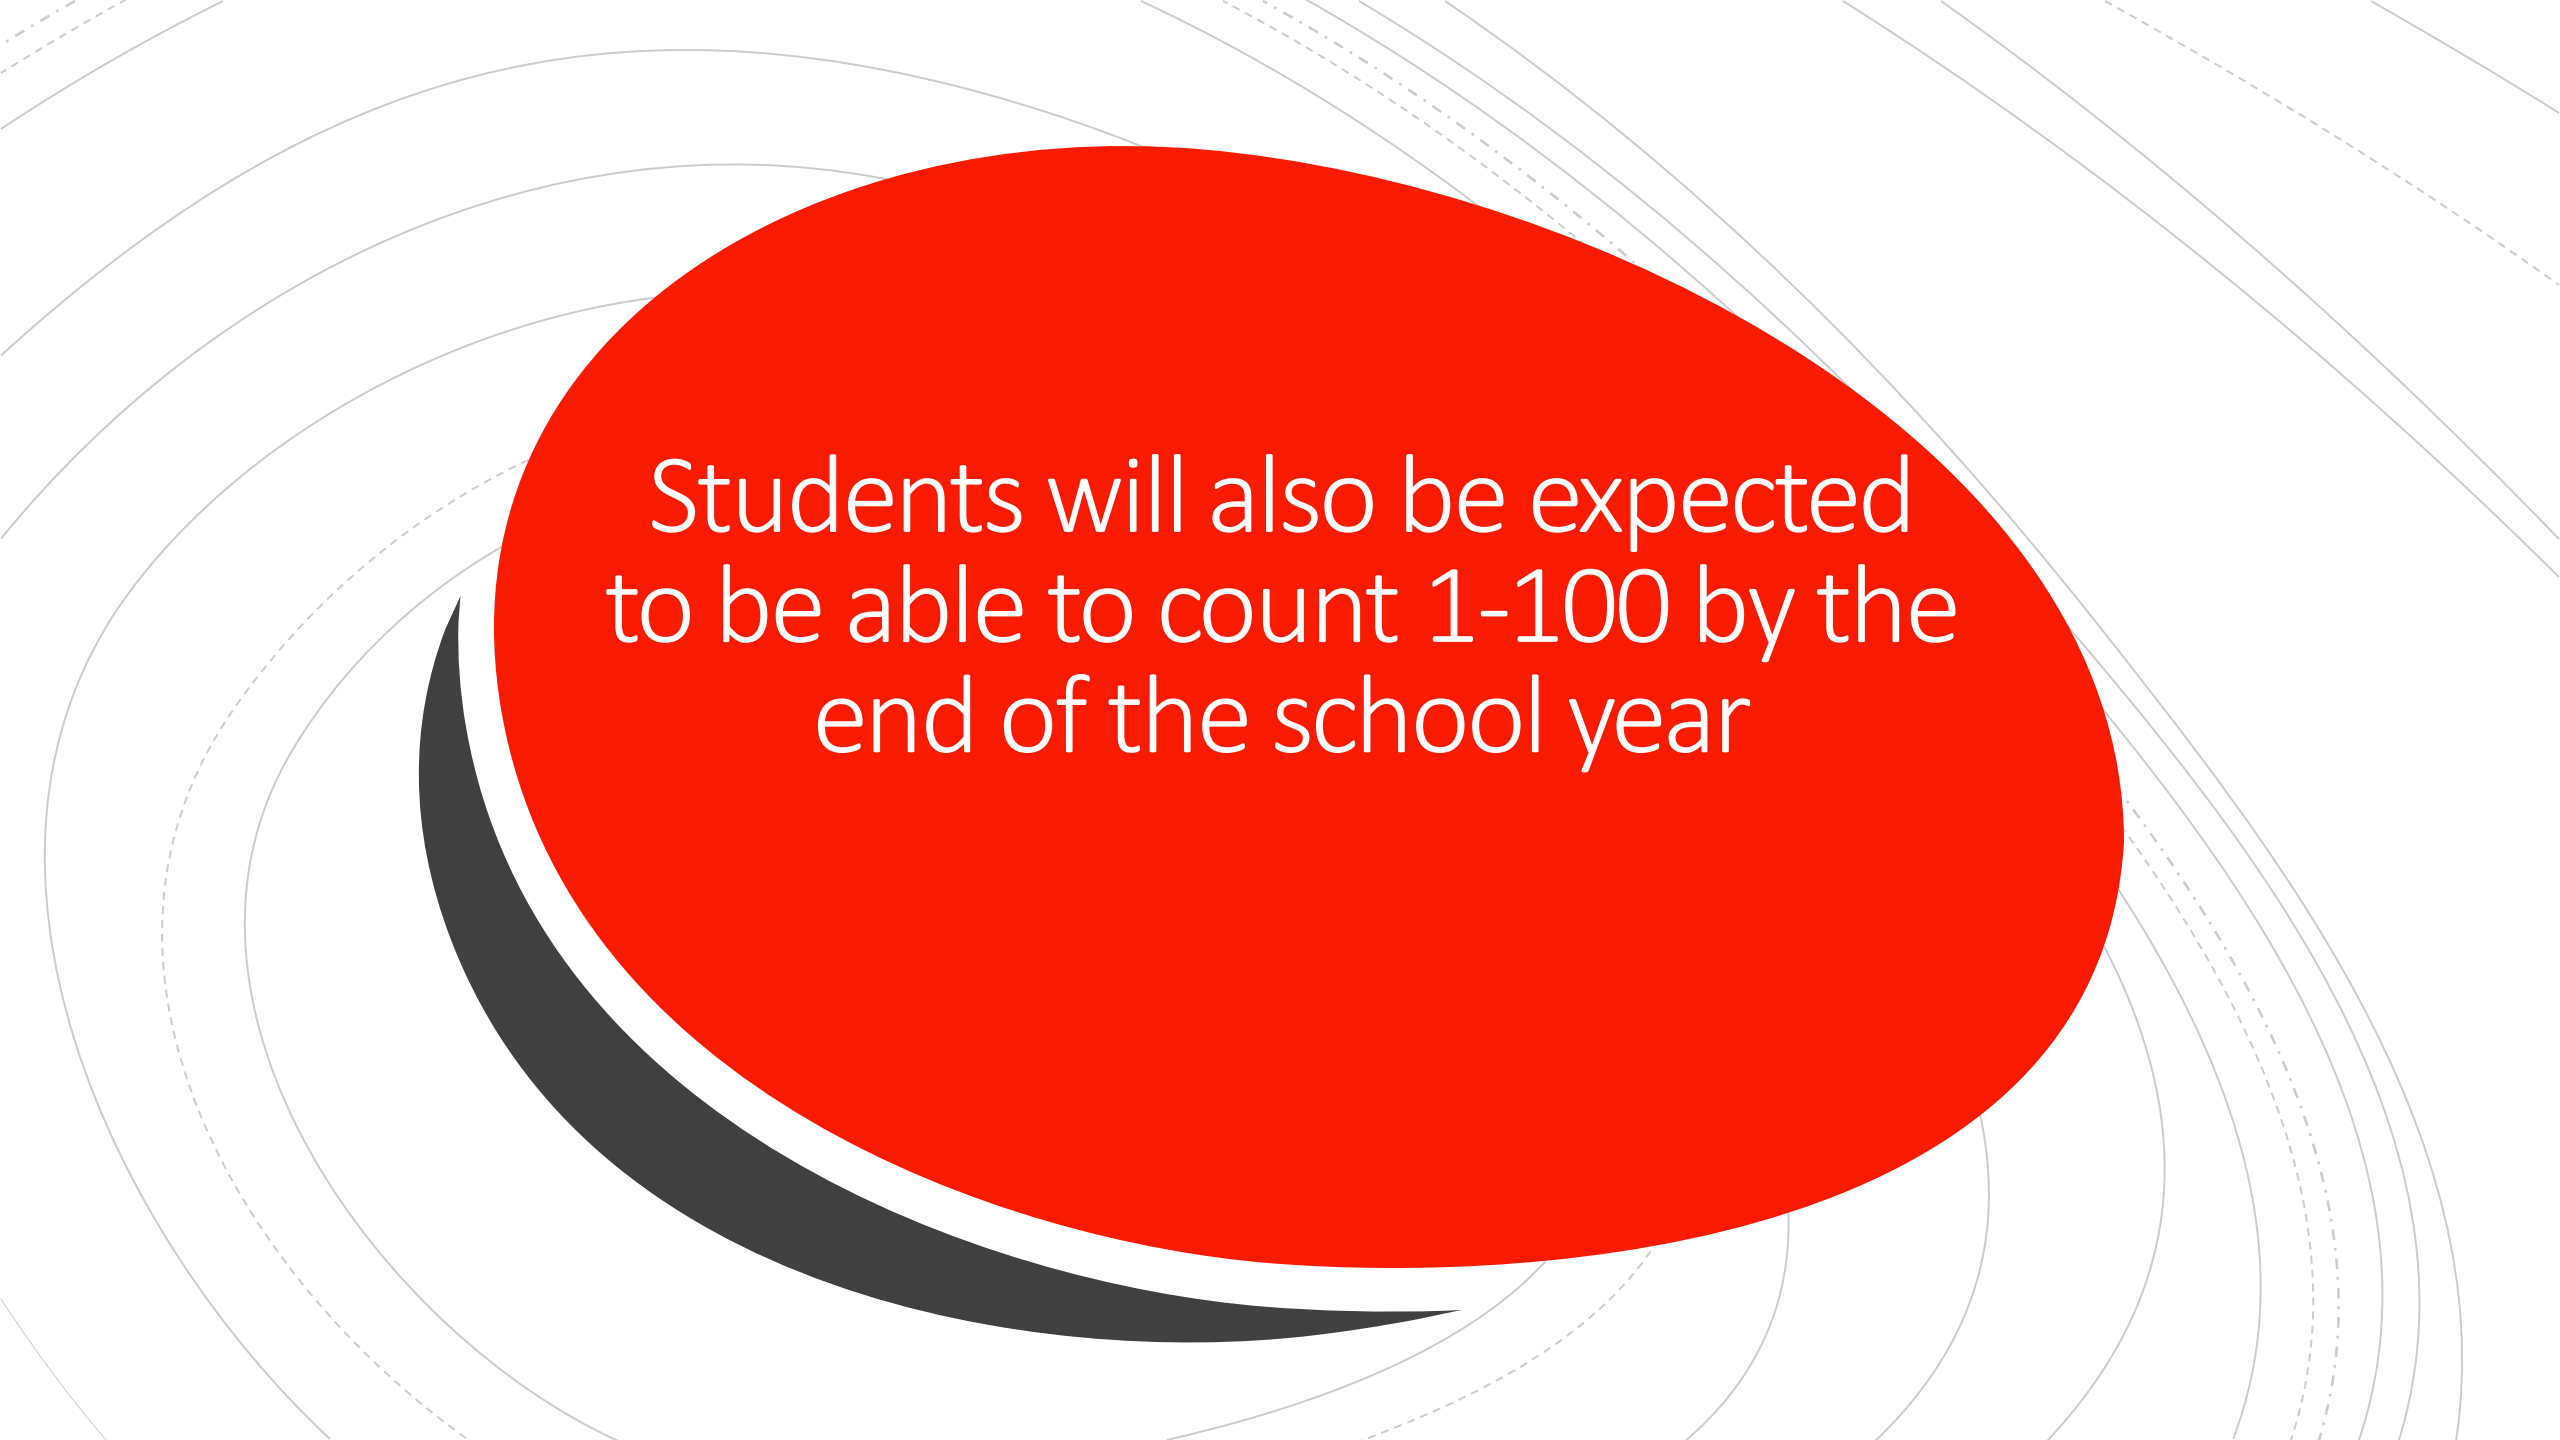

Sight words are often referred to as "Rainbow Words". Examples of words your child will be expected learn are to the right!

Rainbow Words (77)		
Red (13)	Orange (13)	Yellow (14)
see I the you can me and we on is yes are no	isn't he she get can't under to was wasn't go down saw my	where here by they little put what do like have home said her of
Green (15)	Blue (11)	Purple (11)
out name some come make say says be look there over want water from for	zero one two three four five six seven eight nine ten	red orange yellow green blue purple black brown white pink gray

Progress Monitoring

- Students will take digital assessments each quarter that will be administered by your child's teacher.
- These assessment will show your child's progress in the following areas:
 - Letter Identification
 - Letter Sound Production
 - Word Association
 - High Frequency Words

The background features a series of concentric circles in light gray, some solid and some dashed, creating a ripple effect. A large, solid red oval is positioned in the center-right of the frame. A dark gray, curved shape, resembling a thick comma or a stylized 'C', is located to the left of the red oval, partially overlapping it.

Students will also be expected
to be able to count 1-100 by the
end of the school year

In Kindergarten,
your child will learn
simple addition and
subtraction

It's more than ABC's and 123's!

Students will be expected to:

- Sit at their desk
- Work nicely with peers
- Walk in a line
- Raise their hand to answer questions
- Use the restroom by themselves

But it's not all
work....

- **We like to have fun!!!!**
 - **Students attend special area daily**
 - **Special area may be:**
 - **PE**
 - **Music**
 - **Art**
 - **Guidance**
 - **Have recess daily**
 - **Incorporate movement into the classroom activities**

We are so excited your
child is entering Kindergarten!

Don't forget to register at your
home zoned school over the
summer! Registration can be
completed online!
